

EUROPEAN REGULATORY CONFERENCE

**Forum of European Regulatory Experts
for the minimization of interstate discrepancies**

Towards a European Pharmaceutical Harmonization:
Clinical evidence versus clinical benefit

'Adaptation processes in the regulatory world are too long: we cannot wait that a change is made through an adaptation process, we have to anticipate the adaptation".

Francis Megerlin

Catania, 21 Febbraio 2020

Aula Magna "Umberto Scapagnini" Torre Biologica Biometec
Via S. Sofia, 97
